THE MAKE-A-WISH Mission Statement

Make-A-Wish grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy.

Born in 1980 when a group of caring individuals helped a young boy fulfill his dream of becoming a police officer, the Foundation is now the largest wish-granting charity in the world, with 60 chapters in the U.S. and its territories and 42 affiliates in 48 countries on five continents. With the help of generous donors and nearly 25,000 volunteers, Make-A-Wish grants a wish every 34 minutes and has granted more than 285,000 wishes in the U.S. since inception.

Since the Wisconsin chapter was founded in 1984, nearly 6,500 families statewide can attest to the power of a wish. Currently, more than 300 Wisconsin children are in the process of having their special wishes granted.
